I agree to assume all responsibility for loss or damage incurred to the instrument rented during the rental period (normal wear excluded). Renter absolves Ardsley Musical Instrument Service from any claims arising from the use of the rented instrument. Damage coverage absolves me from any liability for instrument damage (except broken strings) during normal use. Vandalism, engravings and/or attempts at repair void coverage and may incur repair or replacement fees. Optional Instrument Replacement Protection (IRP) agreement covers replacement of legally substantiated (police/fire/school report required) loss of one instrument per rental period from home or school. Claim must be made within 10 business days of occurrence. IRP does not cover acts of negligence, instruments left in parked cars or on transportation and expires with rental. Renter understands that there are no refunds on early returns except on new rentals rented in September and returned before October 1st of the same year. There are no refunds on renewals. Renter agrees to notify Ardsley Music of intentions to return the instrument through the school recorded on this contract. Renter will obtain return authorization, pickup date and pickup location from Ardsley Music and will abide by their return instructions. Renter understands that the school is not involved in this agreement and that IRP becomes void if the instrument is lost as a result of renter's failure to follow return instructions. Renter understands that if the instrument becomes more than 30 days in arrears the renewal or replacement fee plus an applicable past due fee will be charged to renter's credit card. Renter agrees to pay any collection and/or legal fees. Ardsley Music reserves the right to report past due accounts to one or more credit rating services. This contract is not transferable. Renter agrees to advise Ardsley Music of any change in school, phone number and/or address. Renter understands that Ardsley Music is not responsible for personal items left in cases of returned instruments.
